- A translation of [Ce n'est pas Paris](#) by [MiaQc](#)

Filia, Fukua and their parasites fight high up on the rooftops of New Meridian. In the distance, Ladybug and Cat Noir watch them.

"Shall we intervene, my lady?" Cat Noir asks Ladybug.

"No. We need to know where we are first."

"It's not Paris, that's for sure."

The two Miraculous holders look at each other. Meanwhile, Filia, Fukua, Samson and Shamone continue their battle.
